Welded or machined parts will be constructed using ANCORP standard centerlines and specs unless otherwise specified.

Please refer to this quote Number on your PO to ensure you receive quoted price and lead time.

Availability subject to change upon receipt of purchase order. Engineered products may require customer to approve drawings before manufacturing is initiated.

All non-catalogue parts are non-cancellable and non-returnable upon acceptance of order.

Stenographical and clerical errors on the face of this form are subject to correction.

Ancorp standard terms and conditions shall apply where no conflict with these quote specifications occur.

Please note that all custom-manufactured products will automatically feature our logo lased on the surface of the product as a standard branding measure. Should you wish to omit this logo from your custom product, please explicitly state so in your order specifications.
