

Monthly Quantum Education Series

Join the **Quantum Learning Lab** at CNM
Ingenuity for a Monthly QuED Talk

QuED Talks is an online community learning series where educators, researchers, and industry experts discuss approaches to teaching quantum science and technology

Upcoming QuED Talks

Thursday March 26th

16:00 - 17:00 MDT

"Trapped Ion Quantum Information Systems"

Speaker: **Dr. Megan Ivory**

Quantum Research Scientist, Sandia National Labs

Thursday April 9th

16:00 - 17:00 MDT

*"Science Fiction becomes Science: Optics
and Quantum Physics in Star Trek"*

Speaker: **Dr. Hermann Kahle**

Q Lab, University of New Mexico

Sessions held live on Zoom

Hosted by The Quantum Learning Lab at
Central New Mexico Community College
